

Connect Office Furniture & Design

Please find enclosed our current furniture catalogue.

We offer a fantastic service with all our furniture and can guide you through planning, purchase and installation.

We can help you to visualize your workspace, before you decide what to order. Our CAD plans can be seen in 2D or 3D, to allow you to choose the correct furniture and layout.

We offer everything from desks, seating, screens, storage, racking, office accessories and even faux plants!

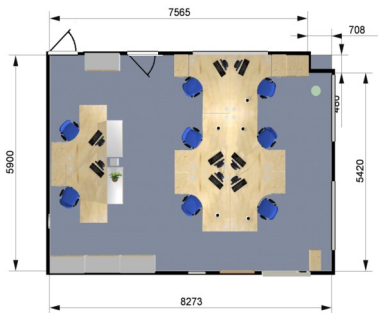

If you need a complete refurbishment we can even help with, partitioning, carpets, blinds, ceilings, lighting and electrics - either as a stand alone project or together with furniture.

We also have several showrooms across the country, where you can try, touch and experience the furniture before you buy.

We would be more than happy to take you there!

Contact our dedicated Furniture Experts to help meet your design & budget requirements!

Give our FREE* CAD Planning Service a try!!!

Take a tour around your new office before you've even ordered!
